Submitted for orders.

I do not think that Rama-swamiah is entitled to increment from the 1st January 1906 as he did not earn confirmation of his appointment to 3rd grade clerk from that date. He unsuccessfully appeared in the Office Manual Exn held in April & Aug 1906. Considering the fact that no examination was held in 1905 and that he has been working in this office for over three years I would recommend the grant of increment from the 1st July 1908.

22/8/08

This may be done. Thereafter he will be entitled to annual increment from 1-7-07 & given the first increment from 1-7-08 (Please verify before 29/8/08 some orders whether there was a vacancy on 1-7-07)

29/8/08

M. Ramaswamaiya from 1/1/06 counts for increment. He was appointed on probation from 1/7/05. He sat at the Office Manual Examinations held in April 1906, Aug 1906 & July 1908 in the latter of which he passed. From a perusal of the Office gradation list, it may be seen that he occupies a place between M. Govinda Rao & C. Nagappa who are both III grade Clerks drawing Rs 38/-. If M. Ramaswamaiya is allowed the benefit of increment from 1/1/07, he will draw Rs 38/- from 1/1/08 & does not supersede any other clerk. If any increment be sanctioned it will have effect from 1/1/08 unless otherwise directed.

I think Ramaswamaiya was appointed in a permanent vacancy

Smyth 22.12.8

Submitted — Article 34 N.S.A. lays down that 'a person, whose age exceeds 25 years, may not ordinarily be admitted into the service of the state'. It does not appear wbe the intention of the rule that the person shd be admitted to a permanent place, in the first instance. The officials in question were admitted into the service as acting clerks before they were 25 years of age, & they have been subsequently confirmed in their appointments. Their appointments do not therefore seem wbe in violation of the rule contained in the Service Regns.

Appointments to grades of the Ministerial Estbt of Genl & Rev Sects will as laid down in the Office Manual, be on probation in the first instance. In no case will an appointment be permanently made to a grade here until the Officer concerned has passed the confirmation examination in the Office Manual. The period of probation though in the case of the Officers for whom a permanent vacancy in a grade is available is fixed at 6 months. Again appointments to I grade of Clerks & higher appointments of Genl & Rev Sects receive sanction of His Highness after due consideration. SIR,

Adverting to Government Proceedings No.G.3072/GM.103-08-11 dated 18th November '08 forwarding the age and health certificates of certain clerks of the General and Revenue Secretariat, I have the honor to request that the sanction of Government may be obtained for the entertainment in service of the marginally noted clerks, who are over 25 years of age (Vide Art: 34 Mysore Service Regulations).

2. I am to point out that the admission into the service of Government of men, who have passed the prescribed age limit, tends to throw upon the State increased liabilities for pension; and in British India, under the orders of the supreme Government, such appointments can be made only upon public grounds of a special character. As the principle on which the Government of India order is based applies equally to Mysore, I am to enquire whether the appointments in question have been made on such grounds.
